

NIGHT BREAKER LED SMART H8

Homologué pour la route¹⁾

La gamme NIGHT BREAKER - les premières lampes LED homologuées pour la route d'OSRAM¹⁾

Durée de vie jusqu'à 6 fois plus longue²⁾

Voir et être vu avec OSRAM. Température de couleur blanc froid, semblable à la lumière du jour. Pour une sécurité accrue sur la route, en particulier lors de la conduite de nuit et par mauvais temps.

Faisceau antibrouillard plus large³⁾ & 6000K

Résistant aux vibrations, respectueux de l'environnement, économique et conforme à la classe de protection IP54.

Garantie 5 ans par OSRAM⁴⁾

Les mesures de contrôle qualité systématiques garantissent la qualité et la fonctionnalité de nos produits. La technologie innovante et la qualité exceptionnelle apportent de réels avantages à nos clients.

Exceptionally bright, innovatively compact, particularly durable and, of course, street-legal¹⁾. That's the new NIGHT BREAKER LED SMART fog lamps from OSRAM.

With the street-legal¹⁾ NIGHT BREAKER LED SMART fog lamps, it is possible to switch from traditional halogen lamps to advanced OSRAM LED technology for fog light applications.

They can serve as the perfect complement to your already installed OSRAM street legal¹⁾ LED or HID lamps. For an ideal combination or as a perfect addition to OSRAM NIGHT BREAKER LED lamps and, of course, as a comprehensive LED light upgrade.

OSRAM's street-legal¹⁾ LED lamps set new standards in terms of innovation, precision, versatility and functionality. They lead the way in terms of brightness, lifetime, vehicle compatibility, design and much more.

With the street-legal¹⁾ NIGHT BREAKER LED SMART fog lamps you can now upgrade the function of your fog lights of your vehicle to state-of-the-art LED technology. These LED replacement lamps are suitable as a replacement for conventional lamps and bases.

They offer a modern and bright white light with a color temperature of up to 6000 Kelvin and impress with a wider fog beam in comparison to traditional halogen fog lamps. For cool white light wherever and whenever it might be needed.

In comparison to standard lamps, such as halogen lamps, these LED retrofit lamps consume up to 80% less energy and convince thanks to the LED technology and the specially developed vibration-resistant design, with up to 6 times longer life time²⁾. They have been tested in our DIN-certified environmental simulation laboratory for extreme external influences in terms of the ingress of water and dust and validated with IP protection class IP54.

You can now replace your conventional vehicle lamps with OSRAM's revolutionary NIGHT BREAKER LED retrofit lamps and experience trend-setting brightness with road approval¹⁾

Additionally, OSRAM offers a dedicated guarantee on all NIGHT BREAKER LED retrofit lamps³⁾.

Fiche technique

Description produit	Informations environnementales et réglementaires Information according Art. 33 of EU Regulation (EC) 1907/2006 (REACH)			
	Identifiant primaire de l'article	Liste des substances candidate Substance 1	N° CAS de la substance 1	Instruction d'utilisation sûre
NIGHT BREAKER SMART H8 LED	4062172410212	Lead	7439-92-1	L'identification de la substance de la liste candidate est suffisante pour permettre une utilisation sûre de l'article..

Description produit	Numéro de déclaration dans la base de données SCIP
NIGHT BREAKER SMART H8 LED	e9938efb-be7e-46b5-bfc2-2d8e9026bb19
