

LEDiving Curved Lightbar VX1000-CB SR SM

Single mount certified

For individual installation

Up to 525 m long beam

Improved view and visibility
in low light conditions

Combo beam

Designed for both: far-field
and near-field illumination

Curved design

Complements the vehicle's
contours giving it a sleek and
modern look

Illuminate your path with precision and style

Experience the ultimate lighting solution with our LEDiving Curved Lightbar VX1000-CB SR SM, specifically designed to provide both far-field and near-field illumination. With an impressive power level of 7650 effective lumens and 36 high-performance OSRAM LEDs, this lightbar ensures exceptional visibility up to 525 meters. The stylish curved design complements the contours of your vehicle, giving it a sleek and modern look. Even in dim light and reduced visibility due to external environmental influences, the OSRAM Curved Lightbar with up to 6000 Kelvin can provide conditions similar to daylight. In addition, it is certified for single mounting (2x ECE R149), offers the highest protection classes (IP6K8 & IP6K9K) and features a robust aluminum die-cast housing with a slim, single-row design. The included brackets allow for versatile mounting options on various parts of the vehicle, including curved surfaces like bumpers, grills, and windshields¹⁾. With a 2-year OSRAM guarantee²⁾, this lightbar delivers proven quality and enhanced visibility at an economical price. Discover the perfect combination of performance, design, and versatility with our Curved Lightbar – ideal for those who value top quality and stylish design.

Fiche de données gamme de produits

Fiche technique
