

LEDinspect MINI 140 ESSENTIAL

Inspection lights

140 Lumer

Up to 140 lumens output - perfect for DIY around the home or in the car

Rechargeable

Rechargeable via USB-C

180° Rotation

Multi positional with 180° flexible and magnetic base

Light is versatile

The OSRAM LEDinspect MINI 140 ESSENTIAL is a compact, rechargeable LED lamp designed for everyday use in workshops, garages, or around the home. With a maximum light output of up to 140 lumens, it provides bright and reliable illumination for a wide range of tasks.

Practical and easy to position, the lamp features a 180° flexible magnetic base for hands-free operation, along with an integrated torch function and energy-saving mode. It offers up to 2.5 hours of operating time on high output, with a charging time of approximately 2 hours.

Rechargeable via USB-C, the LEDinspect MINI 140 ESSENTIAL eliminates the need for replacement batteries and delivers lasting performance.

OSRAM also provides a 2-year guarantee*
