

LEDinspect TELESCOPIC 270

Inspection lights

270 Lumen

Delivers up to 270 lumens of bright light for clear visibility in dark spaces

Magnet base & rotatable hook

Versatile mounting options

2 in 1 Torch function

Inspection light and Torchlight function

2 Year OSRAM Guarantee*

Systematic quality assurance measures underpin the premium workmanship and functionality of our products. Innovative technology and excellent quality really pay dividends for our customers

Light is versatile

Stay prepared wherever you go with the OSRAM LEDinspect TELESCOPIC 270 Rechargeable Inspection Lamp & Torch, a compact yet powerful lighting tool designed for both professional and everyday use. Delivering up to 270 lumens of bright white light, it combines flexibility, portability, and hands-free operation for maximum convenience.

Whether you're working under the bonnet, camping outdoors, or tackling a DIY task, the OSRAM LEDIL419 is built to perform. The telescopic body allows you to quickly adjust the length and focus light exactly where it's needed, while the strong magnetic base keeps both hands free for the job at hand.
