

LEDguardian ROAD FLARE Signal TA20 NXT

360° rotating warning light
For maximum visibility from long distances

Strong magnetic base
For quick and secure mounting on the roof

USB-C rechargeable
Makes it easy to recharge anywhere

Street legal
Fully compliant with §53a paragraph 3 TA20 StVZO and permitted for use across many EU countries¹⁾

When every moment counts: stay visible

The OSRAM LEDguardian ROAD FLARE Signal TA20 NXT sets a new standard in roadside visibility by delivering powerful, 360 degree visibility exactly when it matters most. With 18 high-performance LEDs, it provides intense 360° all-around illumination and makes vehicles clearly visible even from a distance. Its magnetic base allows quick, secure mounting on the roof.

With a battery life of more than 15 hours, USB C charging, and a practical low battery indicator, the TA20 NXT is built for reliability during any emergency. With its IP54 protection class and a 3-year OSRAM guarantee²⁾, the warning light is designed for reliable performance even in demanding weather conditions. Thanks to its compact size, it fits easily into the glove compartment, ensuring it's always within reach when needed.

Fully compliant with §53a StVZO and permitted for use across many EU countries¹⁾, the TA20 NXT gives drivers the confidence of a reliable and long-lasting warning solution. For anyone who values maximum visibility, the TA20 NXT is the essential companion for every journey.

Product family datasheet

Technical data

	Product information	General Product Information	Electrical Data	Photometric Data
Product description	Application (Category and Product specific)	Global order reference	Nominal voltage	Color temperature
LEDguardian TA20 NXT	Warning and safety lights	LEDSL107	3.7 V	2000 K

	Physical Attributes & Dimensions			
Product description	Light color LED	Length	Width	Height
LEDguardian TA20 NXT	Orange	92.0 mm	92.0 mm	59.0 mm

		Lifetime Data	Additional product data	Capabilities
Product description	Product weight	Guarantee	Type of Battery	Technology
LEDguardian TA20 NXT	206.00 g	3 years	Li-Ion	LED

	Certificates & standards	Logistical data	Environmental & Regulatory Information Information according Art. 33 of EU Regulation (EC) 1907/2006 (REACH)
